

HOWARD STEAMBOAT Museum

Presents

River Ramblings 2021

A Scale Modelers Symposium

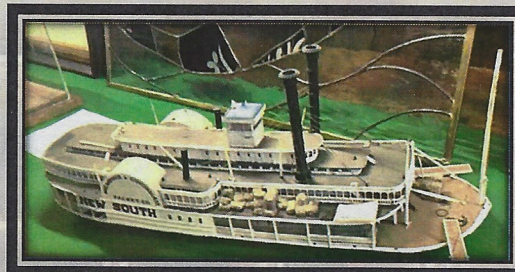

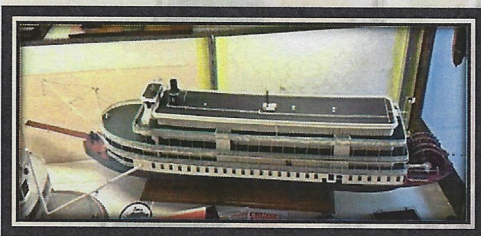

An afternoon of learning and enjoyment of the craft of the maritime scale modeler

Sunday the 10th of October 2021

12:00 Noon until 4:00pm EDT

Maritime scale modelers will display their meticulously crafted vessels in our Carriage House and be available to discuss their creations from 12:00pm until 4:00pm. Informative talks facilitated by modeling professionals discussing their craft and sharing their experience with us. The Museum will be open during the whole event so you can marvel at the amazing collection of models displayed. There will be light snacks available for sale in the Carriage House along with a River Rummage Sale of unique steamboatin' items to benefit the Howard Steamboat Museum.

Scheduled Speakers

- Mr. John Fryant - builder of the first scale model in the Howard Steamboat Museum Collection
 - Fr. Thomas Keller - steamboat fan and scale modeler
 - Mr. Marty Richardson - steamboat fan and scale modeler

\$10.00 per person covers the entire event including museum admission!
